The Secretary to Government,

BANGALORE.

Sir,

Rationing Staff - Tumkur Town.

In forwarding herewith a copy of letter No.FCF.790/43-44 dated 9th February 1944 from the Deputy Commissioner, Tumkur, reporting that as the Rationing Officer for Tumkur is also his Food Assistant and as such it will be very necessary for him to be touring very frequently in the district in connection with the New Harvest Scheme, and requesting to appoint another Officer at Headquarters as Assistant Rationing Officer for Tumkur Town, I have the honour to state that agreeing with the Deputy Commissioner, I recommend that Mr.T.R.Rudraradhya, Retired Amildar, who is now working as Supervisor of Depots in Tumkur may kindly be appointed as Assistant Rationing Officer for Tumkur Town. Ordinarily atleast a Food Inspector if not a Deputy Amildar should have been appointed for the purpose, but as Mr.T.R.Rudraradhya is available already in the Department and is doing good work, I agree with the Deputy Commissioner and recommend that Mr.T.R.Rudraradhya may be appointed as Assistant Rationing Officer. Mr.T.R.Rudraradhya is already getting Rs.50/- as Supervisor (Vide Government Order No. SD/2305-8/A.112-43-5 dated 25-10-1943) and it is proposed to now give him Rs. 100 plus 25 Conveyance Allowance as Assistant Rationing Officer, he being placed in addition as Officer-in-Charge of the Reserve Depots in Tumkur.

2. The recommendation of the Deputy Commissioner to appoint two Assistant Food Inspectors may also be approved, as executive staff will be necessary for frequently checking the working of the ration depots and distribution arrangements.

3. I therefore request that early sanction of Government may kindly be obtained to appoint Mr.T.R.Rudraradhya as the Assistant Rationing Officer and may be permitted to draw Rs.100 plus 25 C.A. which with his pension will not exceed the pay he was drawing before retirement. The Two Assistant Food Inspectors may be sanctioned on the same scale as has been sanctioned in Bangalore and Mysore Cities, viz., on Rs. 50 plus 10 C.A. per mensem each.

4. I request that early orders may kindly be issued in this behalf as Rationing is to be introduced with effect from 12th instant.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Civil Supplies.

Subject: Introduction of rationing in Tumkur Town.

I have the honour to invite your attention to this office letter No.FCF.790/42-43 dated 6-2-1944 on the above subject and to state that as the Rationing Officer for Tumkur town is also my Food Assistant who has plenty of other duties under the New Harvest Scheme etc., it is very necessary to have an Assistant Rationing Officer of the status of a Deputy Amildar for the town, having regard to its size and population and the volume of work involved. I accordingly propose that instead of a Food Inspector whose appointment has been suggested, as Assistant Rationing Officer's post may be sanctioned to relieve the Rationing Officer of the very heavy routine work. If this is approved, I suggest that instead of appointing a new officer Mr.T.R.Rudraradhya, Retired Amildar, who is already working as Food Supervisor and who has acquired very good experience of rationing work may be appointed as Assistant Rationing Officer with a consolidated allowance of Rs.100/- per mensem as this arrangement is more advantageous and economical.

I request very early sanction to the above proposal and to the appointment of two Assistant Food Inspectors as the preliminary arrangements in connection with rationing in Tumkur have to be completed without delay.

Subject: Rationing Staff for Tumkur Town.

With reference to your letter No.SD.7422/A.112-43-23 dated 2-5-1944, I have the honour to forward herewith a copy of letter No.FCF.790/43-44 dated 14-6-1944 from the Deputy Commissioner, Tumkur explaining that Mr.T.R.Rudraradhya has been assisting the Rationing Officer ever since rationing began in addition to supervising the Reserve and Sales Depots. As already stated in my letter of even No. dated 13-3-1944 as the Food Assistant is the Rationing Officer and as another officer at Head quarters as Assistant Rationing Officer is very necessary the recommendation made may kindly be approved.

2. The appointment of Assistant Rationing Officers need not be notified under the Mysore Rationing Order and similar officers have already been appointed in Bangalore and Mysore Cities.

3. As is reported by the Deputy Commissioner, Tumkur in his letter under advertance, there are 12 distributing centres in Tumkur town and two Assistant Food Inspectors are very necessary. In this connection, your kind reference is invited to my letter No.E2-806/43-44 dated 28-4-1944 proposing an uniform scale of executive staff for rationed urban areas and the proposal for Tumkur town is in conformity with this basic scale recommended. I discussed this with the Deputy Commissioner, Tumkur and I agree that the above establishment is necessary.

With reference to your letter No.E2-69/237-49 dated 20th May 1944 on the above subject, I have the honour to state as follows:-

Prior to the introduction of rationing in Tumkur town, Mr. T.R.Rudraradhya was appointed as supervisor to supervise the working ~~depots~~ five depots in the town. Consequent on the introducti of rationing the volume of work in the Rationing Office has almost increased four-fold and it has been found necessary to give assistance to the Rationing Officer who is also my Food Assistant, in getting through the routine duties of this office. Mr. ~~Rudradhya~~ Rudraradhya has been assisting the Rationing Officer ever since ration census was taken, besides supervising the work of the five Government Depots and the seven more depots worked by Co-operative Societies.

It is proposed to place Mr. ~~Rudradhya~~ Rudraradhya in charge of the District Reserve Depot as large stocks are held there.

As regards the appointment of two Food Inspectors for the town, the services of two Assistant Food Inspectors are necessary as the work of five Government Depots and distributing centres has to be supervised and regulated.

The above appointments may kindly be sanctioned with effect from 2-4-1944 the date on which rationing was introduced in Tumkur Town, as these officials have been working from the above date.
